Post-Prelims, revising contemporary issues from the past 1.5 years through 200+ hr class.

COURSE

FAQs

What is GS Analyst all about?

GS Analyst is designed to equip you with the necessary skills to effectively prepare for Current Affairs alongside mastering the static portion of the syllabus.

What makes this course UNIQUE?

GS Analyst not only delivers current affairs classes to dissect current issues but also emphasizes practical methodologies such as answer writing and regular tests to enhance exam readiness.

How will this course benefit me?

GS Analyst offers a comprehensive perspective on the General Studies syllabus through the lens of current affairs, providing you with a competitive advantage in your examinations.

Which sources will be covered?

We meticulously cover all crucial sources including PIB, newspapers, and magazines such as EPW and Yojana. This coverage is facilitated through classes, detailed notes, tests, and personalized mentorship.

Do I need to read newspapers daily even after joining the course?

While GS Analyst offers comprehensive coverage of important information and analysis, daily newspaper reading is highly beneficial for aspirants. Therefore, we encourage you to maintain this habit alongside our course materials.

Who can enroll?

This unique course is highly recommended for aspirants who seek mastery over Current Affairs. Whether you are a beginner or an experienced candidate, GS Analyst caters to all levels of preparation.
